

CITYSCAPE

IMPORTANT:

It is strongly advised that only a professional wallpaper installer is used in the installation of this wallpaper. This pattern is very detailed and requires the expertise of a trained professional.

Before you begin this installation, please read the instructions located on both the front and back of the manufacturers' label that comes with your wallpaper. These instructions are very thorough and should be followed.

Check the direction of the pattern before hanging to ensure it is aligned correctly. The installer must study the picture on the opposite side of this card to ensure that the patterns match and to see how the pattern should look once installed.

PATTERN MATCH: Straight Match ➡|←

This means that the pattern has design elements which match on adjoining strips.

VERTICAL PATTERN REPEAT: 27.6"

SUGGESTED ADHESIVE: Pre-mixed, light to medium weight, clear wallpaper adhesive.

CARE: Damp cloth, Strippable, Good light-fastness

NEW WALL is NOT responsible for any labor costs or compensation related to installation under any circumstances.
